INTRODUCTION

Our English-taught International Management BA programme meets the demands of students who are seeking a global perspective on a management career.

If you are looking for a fully accredited business degree that integrates high academic standards with international experience, then we have a program designed specifically to meet your needs. Students gain one year of international experience by studying for one semester at one of over 170 partner universities in more than 60 countries extending from the Americas to Australasia followed (or preceded) by a 20-week internship at a foreign enterprise of their choice. IM students learn how to do business as a global player and gain valuable leadership skills and intercultural awareness combined with a full spectrum of strategic management, marketing, finance and other relevant skills.

CAREER PROFILE

Our English-taught International Management BA programme meets the demands of students who are seeking a global perspective on a management career.

If you are looking for a fully accredited business degree that integrates high academic standards with international experience, then we have a program designed specifically to meet your needs. Students gain one year of international experience by studying for one semester at one of over 170 partner universities in more than 60 countries extending from the Americas to Australasia followed (or preceded) by a 20-week internship at a foreign enterprise of their choice. IM students learn how to do business as a global player and gain valuable leadership skills and intercultural awareness combined with a full spectrum of strategic management, marketing, finance and other relevant skills.

In addition to learning a broad set of management skills valued by employers worldwide, our students have the opportunity to demonstrate a narrower career focus through our Career Track Program.

A Career Track is personalized in conjunction with an academic advisor and consists of appropriate courses, internships and thesis.

We offer the following career tracks
- Human Resource Development
- Finance
- Accounting
- Economics
- Marketing
- International Project Management
- Logistics
