Studiengang Int. Tourism Management / Health and Medical Tourism https://th-deg.de/itm-b	SWS	ECTS	Semester	Bemerkungen	Zeit/Raum	Dozent	Inhalt (weitere Infos zu dem Studiengang im Modulhandbuch: https://th-deg.de/Studierende/Antraege-und-Organisatorisches/Modulhandbuecher/modulhandbuch_itm_bachelor_ws2020.pdf)
Intercultural Management in Int. Health & Medical Tourism	4	5	2		ab Di, 15.03. 0945 - 1300 Uhr Raum EC 1.13-1.14	Cummings- Koether	For future managers, intercultural competence is one of the most important requirements for working successfully in a global environment. Intercultural differences can affect the ability to constructively work together in international environments. Many conflicts in international teams can be led back to cultural differences, and the ability to recognize the causes of these conflicts, as well as the ability to rationalize different possibilities to solve these conflicts, is an essential part of being culturally competent.

Marketing in Health & Medical Tourism I - Basic Principles and Markets	4	5	2		ab Do, 17.03. 1400-1715 Uhr Raum EC.1.07-1.10	Volchek	This module is designed to create a solid foundation of marketing in tourism, in particular in the field of health and medical tourism. The student will acquire a theoretical basis through the lecture program and discussions on marketing concepts and frameworks. The module will focus on what being "market oriented" means, both in theory and with practical examples. The module helps to understand the challenges of marketing in general and in particular in the field of health and medical tourism.
