

ANNOUNCEMENT

Concerning: **Examination period, examination registration, withdrawal from examinations, grade announcement and examination review for the Summer Semester 2020**

The **examination period** for the Summer Semester 2020 is now scheduled for:

Saturday, July 18 – Friday, July 31, 2020
for all subjects of the current semester and
Monday, June 01 – Saturday, August 29, 2020
for subjects of the last semester

AWP subjects take place from
Friday, July 11 to Friday, July 17, 2020

Course-related assessments may already have taken place before these dates. The examination commissions may schedule different dates in consultation with the deans.

You must **register for examinations** up to **14 days** before the first exam listed in the faculties' schedules via the Deggendorf Institute of Technology intranet. Students on their practical semester or a semester abroad can also register for the examinations in writing during this period.

It is possible to **withdraw from an examination** for which you have already registered at any time. A withdrawal does not need to be justified. This also applies to course-related assessments (e.g. AWP subjects) taking place before the examination period and for which registration is required.

Grades will be announced from Monday, August 31, 2020, on the Institute intranet or its website.

Between **Tuesday, September 01** and **Monday, September 14** it is possible to withdraw from an examination even though grades had already been announced. An appropriate form will be made available in the PRIMUSS student's portal. Even a subsequent withdrawal does not need to be justified. Examinations that have not been passed are deleted automatically.

The **examination review** will take place from **Monday, October 12** to **Friday, October 30, 2020**, in consultation with the examiner during his/her office hours.

The Chairman of the Examination Committee
