2) ATTENTION: The examination dates, examination rooms and aids (such as books, calculator etc.) might change over time. Please check the examination plan shortly before the actual examination date.
Students must prove their identity during the examination therefore it is absolutely necessary to bring your student identity card!

Examination registration (Sect. 17)

- Anyone intending to take examinations must register for the examination in due form and time, stating the modules/subjects, and be admitted to the examination. Examination registration generally takes place online via the student portal during the registration period. Modules or course examinations which cannot be registered via the student portal must be registered with the help of the staff at the Centre for Studies.
- Delayed registrations are only permitted upon written request within a deadline set by the board of examiners, stating valid reasons and with the approval of the chair of the examination committee concerned.
- Withdrawal without consequences from an examination for which a student has already registered is only possible if the student de-registers online via the student portal **at least 7 days before** the examination date. Students are not required to give reasons for their withdrawal. If no official withdrawal has been received and the student has missed the examination for reasons for which they are responsible, the grade "not sufficient" must be awarded.
- An examination is deemed not to have been sat if registration has not been made in due form and time.
- Registration for an examination is only valid for the next examination date. **Admission to a resit or to a missed examination must be applied for again.**

Prüfungsanmeldung (§17)

- Wer Prüfungen ablegen will, muss sich form- und fristgerecht unter Angabe der Module/Fächer zur Prüfung anmelden und zur Prüfung zugelassen werden. Die Anmeldung zu den Prüfungen erfolgt während des Anmeldezeitraums grundsätzlich online über das Studierendenportal. Prüfungsanmeldungen für Module oder Fächer, die nicht über das Studierendenportal erfolgen können, sind mittels der Unterstützung der Mitarbeiter des Studienzentrums vorzunehmen.
- Verspätete Anmeldungen sind nur auf schriftlichen Antrag innerhalb einer vom Prüfungsausschuss festgelegten Frist unter Angabe triftiger Gründe mit Zustimmung des betreffenden Prüfungskommissionsvorsitzenden zulässig.
- Ein folgenloser Rücktritt von einer Prüfung zu der sich ein Studierender bereits angemeldet hat, ist nur möglich, wenn sich der Studierende **spätestens 7 Tage** vor dem Prüfungstermin online über das Studierendenportal abmeldet. Eine Angabe von Gründen ist nicht erforderlich. Liegt kein wirksamer Rücktritt vor und hat der Studierende die Prüfung aus von ihm zu vertretenden Gründen versäumt, ist die Note „nicht ausreichend" zu erteilen.
- Ohne form- und fristgemäße Anmeldung gilt eine Prüfung als nicht abgelegt.
- Die Anmeldung zu einer Prüfung wirkt nur für den jeweils nächsten Prüfungstermin. **Die Zulassung zu einer Wiederholungsprüfung oder zur Ablegung einer versäumten Prüfung ist erneut zu beantragen.**

Resit examinations (Sect. 21)

The first resit examination (second attempt) must be taken within a period of **twelve** months, the second resit examination (third attempt) must be taken within a period of **six** months after the result of the assessment of the previous resit examination has been announced.

Wiederholung von Prüfungen (§21)

Die erste Wiederholungsprüfung (Zweitversuch) muss innerhalb einer Frist von **zwölf** Monaten, die zweite Wiederholungsprüfung (Drittversuch) innerhalb einer Frist von **sechs** Monaten nach Bekanntgabe des Ergebnisses der Bewertung der vorherigen Wiederholungsprüfung abgelegt werden.
