*1) The dates for the short presentations will be announced by the examiner

Please be aware of the following points:

All times shown are CET.

Please check the exam schedule regularly. The examination date, time or room may change on very short notice.

After registration, students can only withdraw from an examination if they de-register from the examination at least seven days before the date of examination.

The withdrawal from the examination must be made either on the online portal or in written form at the center for studies.

Bring your student-ID with you to each examination!

Mobile phones and any other electronic devices may not be on the desks. They must be turned off completely during the examination.

After a first failed attempt, students have to re-sit the examination within a 12-month-period starting on the day they receive the examination results.

After a second failed attempt, students have to re-sit the examination within a 6-month-period starting on the day they receive the results of the repeated examination.

The lecturers themselves are responsible for organizing the supervision.
